

## Free Home Fire Safety Check

How safe is your home from fire?

Home fire safety checks are available to all Northamptonshire residents. The Fire Service are particularly keen to hear from the elderly, those with young children and the less able. They will also fit a free smoke alarm if your home is without one and explain how to maintain it correctly.

For a free fire safety check, email them [here](#) ~ for more information and telephone numbers visit their web site [page](#)
