

WALGRAVE - Police surgery

A reminder that a member of our local Police Safer Community Team (SCT) will hold a surgery at 6.30pm in the Baptist Church school room, Gold Street, prior to the monthly Parish Council (PC) meetings. The PC meetings start at 7.30pm, on the second Monday of each month (except August).

If you have questions to ask, information to give, want a leaflet or sticker ... or just come along for a chat.
