

Are you concerned about speeding in Walgrave?

If so, would you be willing to give up 1-2 hours a day in June/July to be a Community Speed Watch volunteer?

Full training is provided (booked for 10 June) and the more volunteers we have the less time each person needs to give. We will have the equipment for 3 weeks out of a 6-week period, alternating with Holcot between 24 June and 29 July.

If you want to know more or are willing to volunteer for this, please contact Sarah Hayle at 13 Amber Drive, 781579 or sarahayle@yahoo.co.uk
