

STAGECOACH SERVICE #10

As at 3.30pm on Friday 21 July

"We are still waiting on confirmation from both the council and the contractors completing the works as to whether a service would be able to run via Old. As it stands currently, buses will serve Mawsley, return to the A43, travel to Walgrave via Kettering Road and serve the

Green, then travel to Hannington and through to the A43 ~ and vice versa. Departure times from Walgrave will remain unchanged.

"With this diversion, Old would not receive a service so we are waiting on information on any measures that can be put in place to ensure a service is still received by the village."
