The Northamptonshire Definitive Map (and Statement) are the legal records of all the county's public rights of way i.e. footpaths, bridleways, restricted byways and byways open to all traffic.

The Definitive Map is on deposit at Definitive Map Team, One Angel Square, Angel Street, Northampton NN1 1ED (please contact the department at defmap@kierwsp.co.uk if you would like to make an appointment to view the map).

The Parish Council also hold a copy of the Definitive Rights of Way and members of the public may view the map by making an appointment with the Parish Clerk, Rosie Warne at walgravepc@gmail.com

Alternatively you can view the approximate location of rights of way through Northamptonshire County Councils [interactive mapping](#) system (can be a bit slow loading).
